

Dog Daycare

**Positive Way Dog Training now offers Dog Daycare!
Daycare Begins on Nov 1st, 2006
Limited Enrollment!**

- Daycare allows your dog to receive much needed exercise as well as socialization with other dogs while you are at work.
- Most dog behavior problems stem from lack of exercise. Daycare gives dogs a way to burn their excess energy allowing them to be much calmer in your home!
- Our Daycare is run by experienced trainers who are skilled in the field of dog behavior.
- Our facility is cage free however; we do give the dogs several breaks from the action so that they may rest before the play begins again!
- The dogs receive both indoor as well as outdoor playtime. Our building has rubber flooring which provides the dogs sure footing as well as cushioning for their bones and joints. There are also several large outdoor play yards with plenty of room to run!
- Small dogs and puppies play on a different day than the large dogs.
- We also offer weekend Dog Park Classes so that you may attend with your dog and watch him interact with his canine friends.

Requirements:

- Advanced reservations.
- Current on vaccinations as well as negative fecal.
- Dogs must be at least 4 months of age and neutered by 7 months.
- Dogs must be evaluated before admittance to assure that they are friendly and play well with other dogs. There is a \$10 non-refundable evaluation/application fee per dog.

Rates:

\$25/ per day
Discounts for
multiple dogs and
multiple days.

We are located at:

Regency Kennels
850 Savage Rd
Belleville, MI 48111
